

HEALTH AND SAFETY STATEMENT

So far as is reasonably practicable, we will provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, casual labour and voluntary helpers, and to provide such information, training and supervision as they need for this purpose.

We will also endeavour to ensure the health, safety and welfare of all members of the congregation, contractors, visitors and others who may visit the church, church grounds and any associated buildings.

The allocation of duties for safety matters and the particular arrangements which we will make to implement the policy are set out in detail in the Policy document.

The policy will be kept up to date, particularly in the light of any changes to our buildings or activities. To ensure this, the policy and the way in which it has operated will be reviewed regularly and the appropriate changes made.

Employees will be consulted regularly in order to seek their views on health and safety matters.
